

April 24, 2008

Dear MRE Condominium Owners:

While the arrival of spring is always a welcome event in northern New Hampshire, having braved an almost unprecedented winter of snow and alternative forms of precipitation, more than ever, we celebrate our emergence to a milder and warmer climate! Now that we can all move around without snowshoes, please make plans to attend the annual Mountain River East meeting held on Saturday May 24 (Memorial Day weekend) at 9AM in the Thornton School gymnasium.

This is the optimal opportunity for all MRE owners to hear about this Association and to consider the proposed budget for FY 2009. During the meeting we will follow a normal agenda as noted in the package, and we will conduct an "Open Forum" encouraging members to raise questions or issues.

While the meeting is a business affair, it is also a social event, providing members the opportunity to meet new owners or to be reacquainted with old friends. I urge you to come early to enjoy the coffee and "goodies" (no, this is not an early cocktail hour) before the meeting. We ask the owners in buildings 1,3,5 and 7 to bring some "goodies"; next year the "evens" will have their turn.

See you at the meeting,

Tom Howe  
Acting President
