

May 4, 2011

Dear MRE Condominium Association Members,

I hope you had a wonderful winter and enjoyed the large amount of snow that we had here at Mt. River East. Now that the snow is gone and the grass is growing, it is time to meet for our yearly Annual Meeting.

We the Board of Directors are hoping that you the Membership will attend, as this is where the most important decisions affecting the Association are made.

This year, we have quite a few articles on the agenda, of which you the Membership, should participate in the decision making process. Also this year, we have to elect two new directors. One opening is for three years, and one for two years. If anyone would like to serve, please let any director or Walter and Mary Ellen Bourque know. Remember, this Association belongs to you, the Membership.

As usual we will be having coffee from 9:00 to 9:30 to meet new and old friends and neighbors. We ask that the owners in buildings 2 (112), 4 (94), 6 (65), and 8 (41), to bring some "goodies"; next year the "odds" will have their turn. The meeting starts at 9:30.

See you at the meeting,
Normand Vadenais
President
